

Membership Luncheon Seminar (English) Sponsorship Opportunity

The Latino Center on Aging (LCA) was formed in 1991 to improve the living conditions of Hispanic elderly through education and advocacy. In May of 2014, the Latino Center on Aging (LCA) formed the South Florida Hispanic Coalition for Aging to facilitate networking with stakeholders that can further the provisioning of much needed services to the growing numbers of Hispanic elderly in the country and this region. Idiomatic and cultural differences frequently serve as a barrier for older Latinos in accessing existing senior services. Presently, this Coalition has forty two organizations, which offer their services to over one million older adults in South Florida, including the fastest and largest segment of this community, Hispanic elderly.

The Coalition has conducted eighteen (18) highly successful Signature Luncheons in several venues, including University of Miami, Independent Living Systems, Leon Medical Centers, Ana G. Mendez University, Trustbridge Health, Pembroke Pines SW Focal Point, Miami Jewish Health Systems – PACE Centers, to name a few.

All of our luncheons feature a prestigious speaker who addresses topics of interest to professionals and lay leaders. Past speakers include **Dr. Marc Agronin, Hon. Josefina Carbonell, Dr. Annelly Buré-Reyes, Dr. Katalina Fernández McInerney, Dr. Marina Sarno, author Gary Barg, Cynthia Arevalo, Esq., Dr. Eve Garner, Marisel Losa, Hon. Luis Collazo, María Hidalgo, Lourdes Corvo, Esq., and many more.**
